# VIRTUAL AGILE

**SUPPORT FOR YOUR ORGANIZATION IN AN UNPRECEDENTED TIME OF SOCIAL DISTANCING AND VIRTUAL WORKING**

LitheSpeed is prepared to support your organization's agile delivery and continued learning and development in a virtual setting. We offer all the following consulting, training and coaching virtually, and can set up a private instance for your teams, managers and executives:

## Ongoing Consulting and Coaching

Our experts support the enterprise rollout of Agile processes, roles, and responsibilities:

- Work with leadership on process, people, and delivery issues
- Pilot the scaling approach with teams and make adjustments
- Work with PMOs to adapt to an Agile VMO® model
- Craft communications plan to spread agile transformation vision
- Develop portfolio prioritization and sequencing approaches
- Modify governance and controls
- Develop change management strategy

## Custom Virtual Training

- Distributed PI Planning
- Custom training
- Agile Team Workshop
- Agile Orientation

## Certification Training
## 2-day Live Online

- All Scrum Alliance certification training
  CSM, CSPO, ACSM, ACSPO
  CSD, CSP-SM, CAL I
